

David Sagala

Aspiring Web Developer

PROFILE SUMMARY

An English teacher transitioning into a career in the technology industry. I am a dedicated learner, committed to striving for excellence in both my professional endeavors and personal growth.

EXPERIENCE

Private English Teacher

Ruangguru

Aug 2018 - Present - 5 years, Jakarta, Indonesia.

Teaching English to students from diverse backgrounds, ranging from primary school students to professionals. My students include individuals employed at prestigious companies and institutions such as Bareskrim, Badan Pemeriksa Keuangan(BPK), and Sampoerna.

Co-founder

Coachplus Indonesia

Nov 2019 - Present - 4 years, Jakarta, Indonesia.

Building a marketplace for badminton and football coaches in Jakarta. Over 6 months, I learned, designed, and developed the landing page and API for the web app using Node.js and MongoDB. (The web app project was discontinued in 2020, but the project is still in development.)

EDUCATION

Master of Science in Sports Management

School of Professional Studies (GPA: 3.45/4.00)

Completed a capstone project titled "Olympians as Brands," assisting Bridgestone in selecting Olympian representatives for the Pyeongchang Olympic Winter Games 2018.

Relevant coursework includes Digital Strategies, Sports Digital Marketing, Sports Analytics, and Introduction to Data Science.

2016 - 2017, New York, United States

Bachelor of Economics

Faculty of Economics and Business, Padjadjaran University

(GPA:3.56/4.00)

Wrote a bachelor's thesis titled "The Impact of Micro, Small, and Medium-Sized Enterprises on Poverty Alleviation and Economic Growth in Indonesia, 1998–2012."

2010 - 2014, Bandung, West Java, Indonesia
